

BB (Bernice) Wong has a breadth of experience in residential and commercial real estate and has developed an expansive global network of foreign investors which positioned her as the first Certified Overseas Realtor for Century 21 China, and as a Realtor of Choice for Century 21's Global Commercial Network.

BB Wong's services includes organizing and participating in various international inbound and outbound investment trade missions collaborating closely with leading business leaders and government officials in California and abroad. BB also has extensive success with bringing business opportunities together with qualified investors in the agricultural and IT industry sectors.

As the Director of Bilateral Global Trade and investment for Global-MBITA and TradePort.org, BB Wong has now brought her match-making expertise to the booming industry sector of 'Alternative Building Technologies' (ABT) which is now a global movement to promote affordable building technologies, not to mention emergency shelter for the homeless, displaced refugees and weather-related disasters.

Best Regards,

Tony Livoti
President
